### Chapter 5: Developing Body Paragraphs

#### Characteristics of an Effective Body Paragraph

1. **Direction** means that the body paragraph has a strong topic sentence that states the main idea and sets the course that the paragraph will follow.
2. **Unity** means that the paragraph makes one main point and sticks to that point.
3. **Coherence** means that the ideas in the paragraph are logically connected and easy to follow.
4. **Support** means that the paragraph contains a specific and detailed discussion of the idea stated in the topic sentence.
